

MILFORD HOSPITAL

May 15, 2014

Dear Fellow Employee:

This year, we celebrate National Hospital Week from May 11 to May 17, 2014. The official theme for the week is “Compassion, Innovation, Dedication: The Commitment Continues”.

Any hospital is just a building until it's occupied with patients and the people who care for them. It then transforms into an extraordinary place of compassion, innovation and dedication. Here at Milford Hospital, I recognize that it's our staff – the dedicated team of individuals who bring diverse skills to the task of caring and healing – who make us strong. As a community hospital, we are more than a place where patients come to heal, we are central to the health and future of those we serve. We provide treatment to the sick and welcome new life into the world. Milford Hospital is dedicated to advancing high quality compassionate care to the patients and community we serve.

First and foremost, National Hospital Week is a celebration of our hospital family. I celebrate your unwavering commitment to our patients. I am extremely proud of each member of our staff and I recognize the important role each one of you play in extending a sense of comfort and trust to our patients and our community. On behalf of the Hospital and our Board of Directors, please accept my **heartfelt thank you!** **YOU** make a difference every day.

All staff are invited to a Celebration of Hospital Week tomorrow, Friday, May 16, 2014 from 2:00 p.m. to 3:30 p.m. in Auditorium B featuring cake and ice cream and offering some surprise raffle prizes. Please be sure to join us.

Sincerely,

Joseph Pelaccia
President/CEO
